Discount catalog for 3M Scott Safety Equipment.

20% minimum discount off Current MSRP through NCSA Fire Responder Supplies and Equipment Bid#24-01-0524.

***All items in the price list would be eligible for a minimum discount of at least 20% from the list prices shown in the price list section. Some items would qualify for a much deeper discounts, as much as 30% or more off depending on the final quantities and amounts.

***There are SCBA and SAR units that are customizable under a configuration process and the 20% or deeper discount applies as well.

***All complete NFPA SCBA, AV3000HT & C5 Masks and Carbon cylinders could eligible for deeper discounts off list price depending on final quantities and amounts.

***For configuration SCBA the base SCBA will be PN#X8814021005303 with a current list price of \$9347.06, for SCBA models that need to be custom built please contact us using one of the contact methods below.

***3M Scott Safety does not publish and standardize price list; each distributor can select and produce a catalog price list unique to their respective needs. That said no matter the layout or order all the MSRP pricing should be exactly the same between distributors.
