Buyers Custom Light Bars

Customizing Stock Light Bars

Modular light bars can be customized by purchasing the accessory light heads listed below. This allows light heads to be added or colors to be changed without having to buy a new light bar. Takedown and alley lights can also be added to 49", 54" and 60" models (not 24").

Custom Light Bar Program

Factory built custom modular light bars are also available in 24", 49", 54" and 60" lengths. Customers choose their light head configuration and colors. Buyers Products will then quote, build, test, and ship the custom light bar. Call or email customer service at (440) 974-8888, customercare@buyersproducts.com or visit buyersproducts.com for more information.
