POLY CUTTING EDGE

Sensitive surfaces found in many residential and commercial applications require a more forgiving approach. Reduce the risk of property damage with Poly Cutting Edge Kits for the 8' 6" and 9' 6" MVP PLUS.

PART NUMBER

#86882 For 8' 6" Models

#86879 For 9' 6" Models

SHOE KIT

Protect your plow and the road, while extending the life of your cutting edge with an adjustable shoe kit. The cast iron construction and shape increases the surface contact area and helps glide over gravel and dirt at the correct height. Extending cutting edge and base angle life when plowing on rocky or abrasive surfaces.

PART NUMBER

#44277-1 For All Models

CARBIDE CUTTING EDGE

Abrasive surfaces and increased plowing speeds, often found in municipal and commercial applications, can increase the wear rate of standard steel cutting edges. Combat high replacement cycles with WESTERN Carbide Accessory Cutting Edge Kits for the 8' 6" and 9' 6" MVP PLUS.

PART NUMBER

#86888 For 8' 6" Models

#86886 For 9' 6" Models

BACK DRAG EDGE

Ensure a clean scrape every time, when you back drag. The WESTERN back drag edge is built to be as rugged and durable as every other component of your plow. Constructed of 0.25" abrasion-resistant steel and angled to maximize back dragging performance. This easy to install back drag edge is a key tool in any snowfighter's kit.

**Curb Guards and Shoe Kits cannot be used simultaneously with the Back Drag Edge.*

PART NUMBER

#44282-3 For 8' 6" Models

#44283-3 For 9' 6" Models

CURB GUARDS

Go right up to the edge with bolt-on curb guards. Protect the outer edge of your snow plow from wear when plowing along sidewalks and curbs. Made of cast metal, each curb guard effectively protects the outer edge of the plow.

**Curb Guards and Wing Extension Kits cannot be used simultaneously.*

PART NUMBER

#43885 For All Models

WING EXTENSION KIT

Get more jobs done faster with wings. These plow wings increase the overall plowing width by one foot, add up to 30% more carrying capacity, and minimize snow spill-off. Made of 12-gauge steel with high strength steel ribs, these durable wings attach quickly and easily with a single pin.

**Wing Extension Kits and Curb Guards cannot be used simultaneously.*

PART NUMBER

#44510-1 For 8' 6" & 9'6" Models

BLADE STOP KIT

Protect your plow by ensuring heavy snow loads are distributed evenly with the blade stop kit. Made of reinforced, 0.188" high-strength steel that reduces stress on the plow's back iron and hydraulic rams for improved service life and performance. The easy-to-install kit comes with all of the required hardware.
