

## **POLY CUTTING EDGE**

Sensitive surfaces found in many residential and commercial applications require a more forgiving approach. Reduce the risk of property damage with poly cutting edge kits.

### **PART NUMBER**

#86867 For 7' 6" Model

MSRP: \$577.00

PRICE: \$415.44

## BACK DRAG EDGE

Ensure a clean scrape every time, when you back drag. The WESTERN back drag edge is built to be as rugged and durable as every other component of your plow. Constructed of 0.25" abrasion-resistant steel and angled to maximize back dragging performance. This easy to install back drag edge is a key tool in any snowfighter's kit.

*\*Curb Guards and Shoe Kits cannot be used simultaneously with the Back Drag Edge.*

### PART NUMBER

#44281-3 For 7' 6" Model

MSRP: \$314.00

PRICE: \$226.08

## BLADE STOP KIT

Protect your plow by ensuring heavy snow loads are distributed evenly with the blade stop kit. Made of reinforced, 0.188" high-strength steel that reduces stress on the plow's back iron and hydraulic rams for improved service life and performance. The easy-to-install kit comes with all of the required hardware.

### PART NUMBER

#74528 For 7' 6" Model

MSRP: \$243.00

PRICE: \$174.96

## CURB GUARDS

Effectively protect the outer edge of your ENFORCER™ V-plow from wear with genuine WESTERN® curb guards. Constructed of abrasion-resistant material and designed to fit tight to the blade, these curb guards will allow you to plow along curbs with confidence and precision, without damaging your blade.

### PART NUMBER

#43885 For 7' 6" Model

MSRP: \$342.00

PRICE: \$246.24

## CURB GUARD - SINGLE

Protect the outer edge of your plow with these simple-to-install curb guards, made out of cast iron for robust wear-resistance. The rounded profile also helps to reduce damage to curbing and the blade. Sold individually, not as a set.

### PART NUMBER

#44403 For 7' 6" Model

MSRP: \$150.00

PRICE: \$108.00

## 10" RUBBER DEFLECTOR

Control the snow and always see where you're going with an optional deflector. The 10", 2-ply rubber snow deflector fits all ENFORCER™ v-plow blades. Bolt on steel plates ensure proper positioning of the deflectors to keep your view clear and clean.

### PART NUMBER

#41810-1 For 7'6" Model

MSRP: \$398.00

PRICE: \$286.56

## EXTREME WEAR SHOE KIT

Protect your plow and the road, while extending the life of your cutting edge with an extreme wear shoe kit. Made of AR400 steel, adopted from municipal applications, this adjustable shoe kit increases the surface contact area and helps glide over gravel and dirt at the correct height. Extending cutting edge and base angle life when plowing on rocky or abrasive surfaces.

### PART NUMBER

#83852 For 7'6" Models

MSRP: \$376.00

PRICE: \$270.72

## SHOE KIT

Protect your plow and the road, while extending the life of your cutting edge with an adjustable shoe kit. The cast iron construction and shape increases the surface contact area and helps glide over gravel and dirt at the correct height. Extending cutting edge and base angle life when plowing on rocky or abrasive surfaces.

### PART NUMBER

#74519 For 7' 6" Model

MSRP: \$302.00

PRICE: \$217.44
