

WHEEL KIT

Easily move around your unattached plow by utilizing the Wheel Kit. Whether you're moving it into storage, performing maintenance or just have limited space, this kit makes your plow mobile.

PART NUMBER

#79107 For All Models

MSRP:\$464.00

PRICE:\$334.08

BLADE STOP KIT

Protect your plow by ensuring heavy snow loads are distributed evenly with the blade stop kit. Made of reinforced, 0.188" high-strength steel that reduces stress on the plow's back iron and hydraulic rams for improved service life and performance. The easy-to-install kit comes with all of the required hardware.

PART NUMBER

#96917 For 10' Models

MSRP:\$313.00

PRICE:\$225.36

SHOE KIT

Protect your plow and the road, while extending the life of your cutting edge with an adjustable shoe kit. The cast iron construction and shape increases the surface contact area and helps glide over gravel and dirt at the correct height. Extending cutting edge and base angle life when plowing on rocky or abrasive surfaces.

PART NUMBER

#84506-1 For 10' Models

MSRP:\$290.00
PRICE:\$208.80

EXTREME WEAR SHOE KIT

Protect your plow and the road, while extending the life of your cutting edge with an extreme wear shoe kit. Made of AR400 steel, adopted from municipal applications, this adjustable shoe kit increases the surface contact area and helps glide over gravel and dirt at the correct height. Extending cutting edge and base angle life when plowing on rocky or abrasive surfaces.

PART NUMBER

#79238 For All Models

MSRP:\$382.00
PRICE:\$275.04

CURB GUARD - SINGLE

Protect the outer edge of your plow with these simple-to-install curb guards, made out of cast iron for ultimate wear-resistance. The rounded profile also helps to reduce damage to curbing and the blade.

PART NUMBER

#44403 For 10' Model

MSRP:\$150.00
PRICE:\$108.00

18" RUBBER DEFLECTORS

Control even more snow with extended deflectors. Designed for the largest plows, extended deflectors ensure a clear view of your job site. The 18", 2-ply rubber snow deflector fits the PRO PLUS® HD blade. Bolt-on steel plates ensure proper positioning of the deflectors to keep your view clear and clean.

PART NUMBER

#57409 For 10' Models

MSRP:\$576.00
PRICE:\$414.72

CARBIDE CUTTING EDGE

Protect your investment—even on fast passes and rough roads—with a 3/4" high carbon steel cutting edge with carbide insert. It provides extra wearability by utilizing hard carbide material and also increasing the surface area at the point of contact.

**10' models require the cutting edge and curb guards for a full edge replacement, purchase separately.*

PART NUMBER

#74961 For 10' Models (Cutting Edge)

#80295 For 10' Models (Curb Guards)

MSRP:\$1778.00

PRICE:\$1280.16

MSRP:\$179.99

PRICE:\$129.60

10" RUBBER DEFLECTORS

Control the snow and always see where you're going with optional deflectors. Our 10", 2-ply rubber snow deflectors include bolt-on steel plates to ensure proper positioning of the deflectors to keep your view clear and clean.

PART NUMBER

#57425 For 10' Models

MSRP:\$518.00

PRICE:\$372.96
