

Traffic Pro Beds 200 Series Full Stake Model

Bed Length: 9 Feet

Ideal for: F250, 2500, and other similar model sizes. Fits: Single Rear Wheel Axle 60" 9' Cab-Chassis (Recommended). Cab to Axle and Cab to End of Frame measurements of chassis may determine larger model is needed

Full Stake Body Model

Ideal for any size traffic job, but especially useful for jobs which require large quantities of materials. This model offers the entire flatbed for storing and transporting materials to the job. Safely and conveniently store, access, and deploy materials using the fold down stake body system.

This model comes with the following components:

- Left and Right Personnel Buckets with Patented Safety Restraint System
- 1 Headboard
- 4 Work Lights
- 5 Amber Strobe 360 LED Warning Lights
- Red/White Body Marking
- TPB Advanced Stake System Featuring Fold Down Stake Fencing on both Right and Left Side

Note: Shipping and Handling are not included in Base Price and will be calculated separately.

Installation and Upfit charges are not included and will be calculated separately.
