

Traffic Pro Beds 200 Full Traffic Model

Bed Length: 9 Feet

Ideal for: F250, 2500, and other similar model sizes. Fits: Single Rear Wheel Axle 60" 9' Cab-Chassis (Recommended). Cab to Axle and Cab to End of Frame measurements of chassis may determine larger model is needed.

Full Traffic Model

Ideal for any size traffic job, but especially for jobs which require large quantities of signage, like long lane closures or multiple lane closures. This model provides tons of space for signs and stands and still leaves ample room on the bed for materials such as cones and barrels. Safely and conveniently store, access, and deploy multiple signs and materials.

This model comes with the following components:

- Left and Right Personnel Buckets with Patented Safety Restraint System
- Left and Right Sign Stand Boxes
- 1 Headboard
- 4 Work Lights
- 12 Amber Strobe 360 LED Warning Lights
- Red/White Body Marking
- Tailgate

Note: Shipping and Handling are not included in Base Price and will be calculated separately.

Installation and Upfit charges are not included and will be calculated separately.
