

Core Products		
Product Name	Type	Description
Attract	Candidate Management System	Attract is a candidate relationship manager (CRM) providing tools to capture candidate leads, manage relationships, automate communications, and measure recruiting data.
Benefits	Benefits Management	Manage all employee, plan, and enrollment types in one place for increased transparency, across every department of your agency. <i>Note: Must be purchased with Core HR and Payroll product</i>
Core HR	HRIS	Allow HR, managers, and employees to collaborate in one space that services all the workforce’s administrative needs, while maintaining strict compliance
eForms	Forms creator and Document Management System	Employee document and workflow management software that helps you easily create online forms, manage documents, and build seamless workflows in minutes.
Governmentjobs.com	GovernmentJobs.com Job Board	The largest public sector job board in the US designed to help you attract quality applicants, hire faster, and save on advertising.
Insight	Employee Recruiting and Applicant Tracking Software	Insight is NEOGOV’s applicant tracking solution, designed for public sector agencies to efficiently and equitably attract and hire high-quality candidates.
Learn	Learning Management System	Learn provides a centralized cloud-based employee training solution with a library of courses and the ability to create custom content.
Onboard	Employee Onboarding and Offboarding	Onboard enables new hires to become more productive from their first day on the job by streamlining new hire paperwork, processes, and training.
Payroll	Payroll	Save time with an easy-to-use system that can handle complex public sector payroll requirements. <i>Note: Must be purchased with Core HR and Benefits product</i>
Perform	Performance Evaluation Module	Perform empowers managers to set and track performance goals, conduct employee evaluations, and provide ongoing feedback.
PowerPolicy	Policy and Compliance	A policy and compliance management platform that lets you create, edit, organize, and distribute content from a secure, cloud-based site.
Time and Attendance	Time and Attendance	Easily manage time & attendance with a solution that addresses specific public sector needs while providing increased visibility. <i>Note: Must be purchased with Core HR product</i>

Optional Integrations

## NEOGOV Product Catalog

Product Name	Type	Description
Single Sign-On (SSO) Integration	Integration	Single Sign-On (SSO) provides the ability to validate usernames and passwords against internal user databases, such as Active Directory, Netware, Azure AD, etc., rather than having separate user passwords managed by NEOGOV.
Position Control Import	Data Transfer	Position Control Import is a Data Transfer from an organization's existing HRIS system to NEOGOV for Position titles and Numbers.
Employee Import	Data Transfer	Employee Import is a Data Transfer from an organization's existing HRIS system to NEOGOV for employee data, including new hires, rehires, and employee updates (e.g., Promotions, Demotions, Transfers, etc.)
Class Spec Import	Data Transfer	Department, Division, Class Spec Import is a Data Transfer from an organization's existing HRIS to NEOGOV for Department, Division, and Class Spec codes and titles.
Testing integration	Data Transfer	NEOGOV partners with Testing vendors to provide organizations with the ability to initiate testing and review results in NEOGOV.
Video interview integration	Data Transfer	NEOGOV partners with a Video Interview Vendor to provide organizations with the ability to request and review candidates submit pre-recorded interviews.
Hire Export	Data Transfer	The Hire export provides a link to export new hire and rehire data from NEOGOV Insight into the organization's existing HRIS system.
Course Management Import	Data Transfer	Import historical training data into NEOGOV for reporting purposes. Track your ongoing online courses from outside Learn.
Course File Integration	Data Transfer	Import existing SCORM data into NEOGOV Learn.
Candidate Text Messaging	Integration	We have included Candidate Text Messaging was included as a purchase option in our proposal. Currently, candidates can opt into text notifications regarding hiring status updates and interview invitations for jobs they have submitted applications for.
Document Export	Data Transfer	The Documents Export Subscription is an optional, paid feature that allows Onboard and eForms users to schedule bulk exports of completed forms at their desired frequency through a secured FTP site.

### Implementation (Setup)

NEOGOV uses the "train-the-trainer" approach and provides online training for 'core' staffing personnel users. Training materials and user guides are available at the NEOGOV Community. As part of the implementation process, NEOGOV incorporates a staged implementation approach which is designed to effectively manage and streamline the process. For all implementations, NEOGOV offers a senior implementation expert to facilitate the implementation process.
